

## THE WORD

*I'm going to ask each of you to participate at the end. When I'm finished, I will point to each of you. When I do, I would like you to say the first word which comes to mind. Only one word.*

*If you don't wish to speak, simply shake your head 'no' and I'll move on.*

*I'm asking Debbie to jot down the words you offer – just the word, not who offered it. And we'll see where it all takes us. Numbers = seconds of pause to count off Silently after each word is said.*
