

The Gospel According to Bob

He wasn't very old.
Somewhere in his twenties
But truth be told?
He'd been around a-plenty!

Already been in a foreign war
Already bought and wrecked a car
Engaged to be married ...
Which ended in pain.
Love's labors lost ... *déjà vu* all over again.

So he turned to God
Who turned him away
Saying, 'hey, chump ...
Come back when you got something to say.'

Which he did, more than once
Until she finally said,
'What the hell, man, you're such a dunce.'
I'm tired of you – I'm going to bed.

Amen
