

## SHORTS – ARABIA

### MOSES BASKET

When I saw the basket  
I asked what it was.

A Moses basket.  
A Moses basket?  
A Moses basket – the kind Moses was hidden in along the Nile.

And you still make them?  
Sure. They work.

### THE OUD

Hey, do you play that?  
Yeah?  
Would you?

Oh ... huh ... so playing the oud is frowned on, eh?  
Why?  
Ah ... yeah ... kind-of true, I suspect.  
Not a lot else to sing about BUT that ...

*[long pause]*

OH! SO COOL!  
Play another tune

### MYRRH

A moon rock.  
A nasty, brown, lumpy, hole-y, cinderblock-y like – thing.  
It's like from the moon.  
BUT!  
Melt it in water?!  
Cradle's cap –  
Diaper rash –  
Upper respiratory infections –  
GONE!

That's why they were wise men.
