

IWTBP: Immigration Policy
(from the “I Want to Be President” series)

I think we ought to set aside a place
Only for immigrants ...
Only immigrants can live there ...
I don't care legal, illegal, beamed up or down, Lithuanians, Scotsmen ...
Doesn't matter.

And I'm thinking Nevada ...

All immigrants have to go straight to Nevada
And live there for ... two years
No ... five years
And not come out, for ANY reason, period, end of statement.

Everyone “born” here ...
No, not if you're born in Nevada ...
Nevada isn't “here” any more ...

Everyone born here
Gets this special un-hackable chip implanted in the hospital at birth.
And if you get caught with a knock-off or illegal chip?
Or commit any other kind of crime? Like no chip at all ...?
You go straight to New Jersey to serve your time ...

Now, that isn't as bad as it sounds.
The perk is, all TV reality show stars have to live in New Jersey too,
But that's a different policy ... sorry. Back to immigration.

... then – sentence served – and BAM! – right back to Nevada.

Not even an overnight in Indiana! No time off for good behavior. None of that!

That's what I think we ought to do, anyway.
What do you think?
