

LINCOLN

A Question

Did Lincoln die in vain?

Sure, we all have to die,
but you know what I mean.

Did Lincoln die a martyr or did he die in vain?

[pause]

More importantly, what are you going to do?

Sam and Dave

Now, the guys you freed ...

Yeah ...

Like Sam and Dave ...

Yeah, I get it – you freed their grand dads or so ...

but, let's be honest, it's not an even playing field yet

But, these guys you freed ... ? Man, wow.

Hold on, I'm coming.

Civil War

150 years have passed

If you only knew what a mess we've made of it.

Took guts, what you did.

But they're back again ...

It's not a class war that's looming

It's the Civil War, all over again

“You can” or “can't” be what you were meant to be.

Spent most of my life a borderline Southerner.

No more.

You can't deny him, her or me - ANYTHING

Just because you want it to be...

No.

No.

Never again.
