

Sing for Cate

ENE 1982

#1 I can see the blue of your eye
I can feel your hand upon my arm
and for each day you're alive
I thank the Lord you will born

#2 I can hear the words that you speak
I can see you staring at a book
I can't describe the joy I feel
in the simple pleasure of your look

Chorus

#3 I can hear your footsteps in the hall
I can see you standing at the door
I can hear you laugh, I can hear you cry
you are all I need nothing more

#4 And I long to see you once again
we'll never be too long & far apart
cause I know that in these months you're changed
But you're still the treasure of my heart

Chorus } Every day I know you grow a little taller
and you become more of your own
and every day I know I grow a little richer
cause wealth is just a family & a home

repeat #4
