

SEÁN

Seán arrived today.
Beloved brother,
 Son,
 Grandson,
 And friend.

I wish the world were a better place.
I wish I could guarantee you and Colin an untroubled life ...

 A life of affirmation
 And joy;

 A life of fulfillment
 And hope;

 A life of challenge
 And success;

 A life of love, laughter and, in its good time,
 Offspring,
 Longevity,
 And a graceful, peaceful death.

I wish so much on this day.

 But we'll just have to make do, love.
 We'll just have to make do.
