

IMAGINE

Imagine.

Eyes closed.

Fire hot.

A circle forms.

Keep the night cold out.

Wisened Owl,

Gentle Fawn

Bows Her Head

Take Lead

Silent One

Eagle Heart

Dances On Air

Now Breathe

Stands Alert

Laughing Crow

Fire In Eyes

Strike Drum

Kicking Bird

Sees Afar

Snow White Doe

Flute Hum

Ghost Dancer rises

Arms opened wide

Eyes fixed on heaven

Body writhes

A tribal dance

Felt, not seen

Shadows and scents

What might it mean?

Imagine.
